1-204 (a) Revise last portion to read "by the President, by agency heads listed in Section 1-201, or by a subordinate senior official with Top Secret authority authorized such responsibility in writing by an agency head listed in Section 1-201".

\* 1-302 Revise last portion of sentence to read "determines that an unauthorized disclosure or series of ~~unauthorized~~ disclosures of such information } *not broad enough* reasonably could be expected to cause at least identifiable damage to the national security."

1-402 Add to last sentence "and for intelligence sources or methods the date or event may be up to seventy five years after original classification".

*Good luck!  
Is this a good place to bring this up?*

\* Looks like what they may be after here is the cumulative effect. If so, do not believe this is the place for it. Best to leave it broader as suggested and as it is written in the current E.O.

1-501 Amend the first portion of the sentence to read:

"At the time of original classification, the following shall be prominently displayed on all classified information, *e.g.*, On the face of paper copies of all classified documents."

*To cover  
non-paper  
material?  
(SHOULDN'T  
THIS BE  
NON-TEXTUAL  
MATERIAL?)*

1-504

Replace second ~~with~~ sentence with:

Agency heads listed in Sections 1-201, 1-202, and 1-203 may grant waivers of this requirement for classes of documents that are only disseminated internally within the originating agency or contractor facility, <sup>defined in</sup> ~~are impracticable~~ <sup>derivation</sup> ~~to~~ <sup>section</sup> ~~portion mark~~, and will not be used as the basis for the classification of other documents. The Director of the ~~Information Security Oversight Office~~ may, for good cause, grant and revoke waivers of this requirement for other specified classes of documents or information. All documents classified under a portion marking waiver shall bear a notation indicating that they may not be used as the basis for derivative classification.

✓ 1-606

Revise last portion of first sentence to read "authorized by the agency head or by a senior subordinate official authorized such responsibility in writing by an agency head".

2-202 Add to last sentence "that will be considered  
current until amended or rescinded unless the  
guide specifies otherwise."

*Is this  
really  
necessary?*

*modify 2-201 intend to  
on classification will  
be from date of document*

<sup>302</sup>  
2-203

Add as '(d)';

If the source material is intelligence  
sources or methods information bearing no  
date or event for declassification or is  
marked for declassification beyond seventy  
five years, the new material shall be marked  
for review for declassification at seventy  
five years from the date of original classification  
of the source material.

*Refers to 1-402  
item.*

3-403

Delete last portion of first sentence concerning  
the DCI (see 3-405 for explanation).

3-405

Renumber existing paragraph to be 3-406 and under  
3-405 state:

*Going for 75 years.*

Intelligence sources or methods information shall be exempt from automatic declassification and twenty year ~~xxxxxx~~ systematic review. Unless declassified earlier, such information shall be reviewed for declassification seventy five years from its date of origin. Such review shall be in accordance with the provisions of Section 3-3 and with guidelines developed by the Director of Central Intelligence. ~~Where appropriate and as specified by the Director of Central Intelligence,~~ the guidelines will be used by the Archivist of the United States and any agency having custody of intelligence sources or methods information.

6x6  
6-1

Add a definition of 'portion' under 6-106:

A "portion" is any segment of information -- normally a paragraph or subparagraph -- that deals with a particular point and does not require amplification to complete its meaning.
